BRASS INSTRUMENTS

I play the trombone in my school band and really enjoy it. The trumpet, trombone, and tuba are just a few examples of brass instruments. All these instruments are played through a mouthpiece and all except one have three valves or keys. These valves, along with the buzzing of the mouth, make different pitches. The trombone, however, has a slide instead of valves. You buzz into the mouthpiece and move the slide to make different notes. Brass instruments make loud, beautiful sounds and are fun to play.

EDITOR'S NOTEBOOK

Dear Archie Readers,

Now that Jughead's a big brother, he's been receiving lots of letters every week with some very helpful hints and advice. As an example, I've selected a letter from Katherine Ziegler, who lives in Brooklyn, New York. She writes:

"*Dear Jughead,*

I am the oldest of five children (4 sisters, 1 brother). You're lucky you only have one sister. I'm sure that when she grows up she'll think her big brother is the greatest. Being an older sister or brother is a big responsibility...take it from me, I know. I help my sisters and brother get ready for school every day. My mom and dad depend on me to help with breakfast and make sure the kids are dressed properly. I check to see they have their homework, books and lunch before they leave. Who checks up on me, you ask? Well, last week I came to class late on Monday, forgot my lunch on Tuesday, threw my homework in the garbage on Wednesday, wore different colored socks to school on Thursday. Fortunately, I salvaged Friday by slipping on the ice and breaking my leg. So for the next six to eight weeks it's Kathie's turn. My brother, sisters, mom and dad are waiting on me hand and (pardon the pun) foot. They're working hard so I have a speedy recovery. I'm loving every painful minute of it. They love me! Anyway, I know you'll be a terrific brother to Jellybean. If you need any help, just write. I'll try to answer you, just as soon as I finish everyone's homework. As they say in show biz, "Break a leg!"

Thanks, Kathie, for that wonderful letter. I think Jughead gets the message. So guys, look for the very first edition of JUGHEAD'S BABY TALES #1, on sale in April. It's an ALL-NEW, 48 PAGE, GIANT COMIC with a FREE, PULL-OUT POSTER featuring Jughead and Jellybean. Don't miss it!
